

Stuttgart Military Community SCSC 2022 Gap Year Student Scholarship Application

General Information/Criteria:

Stuttgart Community Spouses' Club (SCSC) scholarships are made possible by the use of proceeds generated by the SCSC Thrift Shop, to which club and community volunteers generously devote hundreds of hours each year. The Scholarship Committee reviews submissions and determines applicant eligibility and selection criteria. **The selection criteria include a combination of academic achievement, extracurricular activities, personal essay, community service, community leadership, and work experience.** Financial need is not factored into award consideration. The Scholarship Selection Panel is an independent panel of judges comprised of volunteer military and civilian members of the Stuttgart Community. Judges are screened for potential conflicts of interest and their dependents are not eligible to apply for a scholarship. Applicant identity is anonymous throughout the judging and award determination process. The Scholarship Committee will determine the number of scholarships and the monetary value of each scholarship to be awarded based on available funds. The Scholarship Selection Panel will determine the award winners through an analysis of scores. Submission of an application does not guarantee the award of a scholarship.

1. This application is for a child dependent who graduated from High School in 2021, did not take any post-high school classes (i.e. college or technical courses) during the 2021-2022 school year, and who will begin undergraduate studies at an accredited college, university, technical school, or military academy in the fall of 2022.
2. The applicant is responsible for gathering and submitting all necessary information and official documents. Applications are evaluated on the information submitted. Please answer all questions completely and give specific dates when required.
3. Applicants are advised to keep a copy of their completed application for their records.
4. The SCSC Scholarship Chairman will inform applicants when the committee receives their application. **Applicants should email scsc.scholarship@gmail.com if they have not received confirmation by 4 March 2022.**
5. Inquiries may be made via email to scsc.scholarship@gmail.com to the SCSC Scholarship Committee Chairperson, Valerie Wells. **Applications will not be accepted via email or in person.**
6. Scholarship recipients will be notified of results in late April 2022. Awards are granted without regard to race, color, creed, religion, or disability.

Eligibility: Each applicant must meet the following requirements:
